

## **WORKED ALL INDIANA AWARD RULES**

**Sponsored by:** The Hoosier DX and Contest Club (HDXCC)

### **Requirements:**

Contact and confirm each of Indiana's 92 counties.

Any band.

Any mode.

No date restrictions.

SWLs may also apply.

### **Endorsement levels:**

Initial certificate - 60 counties

Level I - 75 counties

Level II - 85 counties

Level III - 92 counties

No endorsements are available for band or mode.

No repeater or cross-mode contacts allowed.

Electronic confirmations are not allowed.

Holders of the CQ USA-CA award need only to supply their USA-CA certificate number in lieu of a GCR list.

Applicants who participate in the Indiana QSO Party (INQP) may have counties confirmed by a cross check method available to the award manager in lieu of QSL cards. This requires the applicant and stations the applicant contacts during the INQP to submit a log to [inqp@hdxcc.org](mailto:inqp@hdxcc.org). Stations the applicant contacted during the INQP that submit a log with a corresponding contact from the applicant's INQP log will be considered a confirmation of contact with those counties.

As an example, if the applicant contacts a mobile in ten counties and both, the applicant and the mobile station, submit an INQP log and both logs match with corresponding entries for the ten counties this will count as confirmation of the ten counties in lieu of QSL cards.

Applicants must use The Hoosier DX and Contest Club application form and GCR list. The application and GCR list, in PDF format, are available for downloading from The Hoosier DX and Contest Club website ([www.hdxcc.org](http://www.hdxcc.org)) or a SASE to the award manager.

The application must be signed by two amateurs (of which one is not the applicant) verifying the applicant has the QSL cards in his possession and they are valid for the contacts listed on the GCR list (Required for certificate and endorsement applications).

**Initial certificate plus initial endorsements:** Submit application, GCR list, fee of US\$5.00 and a 9 x 12 SASE for certificate and any initial endorsements to the award manager.

**Additional endorsements:** Submit application indicating endorsement level being applied for, GCR list containing only those contacts for the requested endorsement level, fee of US\$2.00 and a SASE for endorsement stickers to the award manager.

The award manager reserves the right to request any cards to check for validity.
